### From the Principal....

Welcome back to Term 3. It's going to be an exciting one with King of the Mountain next week, Bush Poetry, Mary Valley Lions essay and poster competitions and the Imbil Show as just a few key date claimers to look forward to.

### Bush Poetry....

Children are excited and already learning their poems in readiness for their challenge this term. We would greatly appreciate it if parents could help children to learn these 'off by heart' as soon as possible. When they are confident with the words, then we can prepare actions and costumes to go with their presentations and give them plenty of practice time to develop confidence.

### Fridges....

Thankyou to Jaye Shaw for purchasing 2 new fridges for our classrooms on behalf of the P&C Committee. These new fridges are larger and will accommodate the growing number of lunch boxes, particularly creating more spaces in Miss Ryan's classroom. Consequently our old fridges are up for sale. They both work and are in reasonable condition. The larger one sometimes has a small leak. Both fridges are under the A Block classroom if you wish to look at them. Anyone interested in either fridge as a spare or 'beer' fridge, please contact the office with an offer.

### Fridges For Sale....

- ◆ Fisher & Paykel C370 (370 litre) auto defrost, fridge only, no freezer. Dimensions: height 1425mm, width 635mm, depth 668mm.
- ◆ Whirlpool 6WBM12MS (118 litre) stainless steel. Dimensions: height 865mm, width 480mm, depth 520mm.

### King of the Mountain....

On **Sunday, 27th July**, several of our older students will join with students from Amamoor and Kandanga to form teams to compete in King of the Mountain School Relay teams at Pomona.

### School Photos....

It's that time of year again for us all to smile and put on our best face for the camera so we can capture all our wonderful students in a photo for 2014. The date is **Tuesday, 29th July!** Once again, Silver Rose are offering an excellent package of a whole school photo, individual photos, sibling package if they have brothers/sisters, bookmark and calendar for a price of \$25.00 per student. This is great value for money and many of the photo items can be used for Christmas presents.

Please ensure children are wearing full school uniform and are neat and tidy on the day. The photographer will be at Dagun School in the morning.

### Facilities....

Over the next weeks at school we will have workmen who will be digging up and repairing our transpiration pit for the sewerage system. This system has simply gone past its 'use by' date and pipes are brittle and cracking. The area will be completely out of bounds for all. Though there may be a smell, there will be no risk to students. Hopefully the repaired system will last another 20 or more years!

### Computer Server upgrade....

Over the holidays our school server was upgraded with newer software. This should improve the internet speed for students and staff at school.

#### Next P&C Meeting....

A reminder that our next P&C meeting is next **Tuesday, 22nd July**, commencing at **5.30 p.m.** Everyone is welcome to come along to our relaxed, informal discussions and have an input to the direction of our school and your child's education.

#### Uniforms....

Our winter tracksuits will arrive next week! They are currently being screen printed with the school logo. It's not too late to order one, there are a few extras in stock. Any parents wishing to purchase a school jacket should contact the office. The school will be placing another order soon, so please let the office know your required size.

#### Tuckshop....

Please note our tuckshop will not be operating this Friday.

### Kate Airey Music Tuition

I have been a music teacher with Education Queensland in the Gympie region for over 10 years. My aim is to give students a well-rounded introduction to music education. Students are the directors of their own musical experiences; they can request lessons on different instruments and are encouraged to find their strengths. Students are also offered the opportunity to record their own music if songwriting is something they would like to explore. Individual lessons, small group lessons and all ages are welcome. I offer private music tuition in theory, singing, songwriting, guitar, piano and more.

Come along and experience a different type of music tuition!

If you are interested please phone 0412 215 451.
